Vice President Report - Mark Monistere

Thanks to the members that participated in the West Baton Rouge Museum

Apprentice program (Jim, Bob, Terry, Wayne, Keith, Doug and Brian) and those that helped with WBR Museum Summer Camp (Terry, Bob, Brian and Doug).

WBR and Rural Life Museums have expressed a desire to put on some hand tool wood working classes in the future. We will be looking for some members to serve as instructors.

Service Projects Report - Lee Owens (Jack Carmena reporting)

University Methodist Preschool Projects - Bob Bewick

Built and painted 6 mail cubbies. They have been completed and delivered. Joe Hanks and Kevin Garcia help with this project.

VOA - Jack Carmena

The VOA is relocating the Child Care Education department and needs some help repurposing some rooms in their new location.

Over the tub cabinet was built at Terry's shop by Alvin, Terry, Jack and Hays. Waiting on VOA to give access for installation.

George Campagna, Jack and Lee converted 2 closet to storage by installing shelving.

Educational Outreach - Terry Landry

On Tuesday July 13th, the West Baton Rouge Museum will be hosting a 2 day training session for school teachers with the theme of "Rural Engineuity". The purpose of the sessions, in part, is to expose the participants to some of the activities that are available at the museum. The club has been ask to present a 1 hour session. The session will be broken into 5 station with each demonstrating a different topic/subject (Drilling, Hand planes, Sawing, Pole Lathe and Timber frame building). If interested please contact Terry.

Safety Minute - Brian Fitzgerald

In the process of using a chain saw mill to cut up a tree, the chain came off the bar and wrapped around Brain's leg. Brain was not injured because he had on his safety chaps. Be sure to wear all recommended safety gear when using a chain saw.
